

Wickhambrook Beavers and Cubs

The Beavers and Cubs have both had a brilliant year, making the most of the school facilities for their weekly meetings and camps. The tents purchased with funds from the village fete have been well used, and the new storage shed has made it much easier for leaders to store and access equipment safely. Both groups have actively contributed to village life through litter picks, seed planting and running a stall at the summer village fete.

The Cubs enjoyed outings to Ickworth, while the Beavers visited Moyses Hall in Bury St Edmunds, and both groups were proud to represent the village at the annual St George's Day parade in Newmarket.

We are extremely grateful for the continued support of the community, the school, our leaders and the trustees of the Scout Group, which enables us to run two very successful groups.

We are always keen to hear from anyone in the village who may wish to volunteer their time, whether to run a specific session for the groups or to join as a leader — with full training provided. We also welcome new members to the groups regularly so please see the website for how to join the waiting list.
